### Company Overview

BDM Leather & Canvas Pty Ltd design and manufacture solutions for a wide variety of industries, fabricating quality goods for a range of different national and international clients and businesses.

We are committed to Excellence in Fabrication. From conceptual design, prototype and production, we endeavor to provide the very best quality product, manufactured to endure our harsh Australian conditions.

Proudly Australian owned and operated, BDM was established in 1992 at a small factory based in Rockingham, Western Australia. Since then we have expanded and grown to become a thriving manufacturing business with a long record of delivering on our promise of Excellence in Fabrication.

### Services Provided

We manufacture goods from Canvas, PVC and Leather for a diverse range of industries and send them Australia wide.

- Tool Bags in PVC & Canvas
- Lifting Bags
- Pouches
- Covers
- Tarpaulins

While most of our work here at BDM involves high scale manufacturing, we are proud to still have the flexibility to produce customised items for our clients. Such items include:

- Hot Work Habitats
- Factory Curtains
- Welding Screens
- Loading Chutes
- Windsock
